Chicago, IL 60622

## Experience

2009-present

### **Vodori, Inc.**

Chicago, IL

#### **Project Manager**

- Coordinate all phases of web projects, often managing six-figure budgets in strict time-frames among several vendors. Most projects focus on design and development of corporate web sites implementing Pepper, Vodori's proprietary content management system.
- As primary client contact, create project plans, schedule staff resources, write documentation, organize and develop web content, conduct training.

#### **Front End Developer**

- Using HTML, CSS, and JavaScript (Dojo Toolkit), develop .jsp templates and other frameworks to integrate with a custom CMS.

2007-2009

### **Freelance Video Editor**

Chicago, IL

- Towers Productions - offline editing for documentary-style series including Animal Witness (Animal Planet), Undercover (ID), Hard Time (Discovery).
- Comcast SportsNet Chicago - worked with producers and on-air talent to deliver highlights and news packages for live sports news programming.

2003 - 2007

### **Team Group / Asgard Entertainment**

Washington, DC

#### **Associate Producer for Broadband - Channel One News**

- Produced, wrote, shot & edited daily original videos for teen web site.
- Oversaw content management & delivery for internet video portal.
- Liason between TV production office in Washington & web development office in Los Angeles.

#### **Editor - Team Sound & Vision**

- Network promos for TLC, BBCAmerica, Travel Channel, Military Channel.
- Full-length History Channel doc Nixon: A Presidency Revealed.
- Programming reversioning editor for BBCAmerica.

#### **Junior Editor / P.A. - New River Media**

- Cut educational programs and specials, including Think Tank with Ben Wattenberg & Policy Watch.
- Researched & fact-checked subjects for documentary films.
